Infirmary Dedication Set For Oct. 24.
Most Rev. Bishop Richard Gerow Will Preside

Dedication of the new infirmary building will take place on Saturday, October 24th, Homecoming Day.

The Most Reverend Richard O. Gerow, Bishop of Natchez-Jackson Diocese, will preside. Ceremonies will commence at 10 a.m., with Mass celebrated at Our Lady of the Gulf Church by the Reverend Bishop. Following Mass, the building will be blessed. Dinner served in the college dining room will conclude the activities of the morning.

Dedication ceremonies have been planned for homecoming day to enable alumni and friends who travel from afar to take part in all activities of the day.

The infirmary is a new concrete and aluminum structure with mocais panels in pastel colors. The first floor houses three classrooms, an office for the Rock-A-Chaw staff one for the year book staff, and a darkroom for the photographer.

The infirmary proper is located on the second floor. This includes treatment, x-ray, sick rooms, and the nurse's quarters. On the third floor is an annex to the faculty residence.

In large, the infirmary was made possible by the alumni who contributed substantially to its cost. Brother Roland, presently principal of Cor Jesu High School in New Orleans, was responsible for its construction in almost all phases.

Brother Florent Succumbs Following Extended Illness

Overcome by a lingering illness brought on by the ravages of advanced age, Brother Florent, S.C., died at Mercy Hospital in New Orleans, September 28th, at the age of 85.

Long stationed at St. Stanislaus College, Brother Florent's name has become synonymous with that of the "Back School," where he devoted himself tirelessly to his young charges.

Prior to being stationed at S.S.C., over the years Brother filled the various posts of teacher, prefect, and gardener in the schools of the Brothers of the Sacred Heart in Natchez, Donaldsonville, New Orleans, Daphne, Mobile, and Thibodaux.

Born in St. Maurice de Lignon, France, November 9, 1873, Brother entered the Institute of the Brothers of the Sacred Heart on November 3, 1890. He pronounced his first vows in 1892; and consecrated himself perpetually to God seven years later. 1952 witnessed the diamond jubilee of Brother's religious profession.

Funeral services were completed with Requiem Mass in the school chapel, and interment at the St. Stanislaus College Cemetery here at Bay St. Louis.

Three S.S.C. Boys Enter Brotherhood

Jack Mashburn and Joseph Marix, graduates of 1959; and undergraduate Fred Gottschalk have entered houses of training of the Brothers of the Sacred Heart.

Joe Marix of Plaquemine, Louisiana, will follow post-graduate work at St. Joseph's Juniorate in Metuchen New Jersey. February of next year he will begin his six months period of postulate, prior to entering the novitiate. After that he will return South to begin college work while being stationed at the Sacred Heart Scholasticate in Mobile, Alabama.

Jack Mashburn of Hammond, Louisiana, is presently at the Scholasticate in Mobile where he is attending Spring Hill College. Jack will join Joe in Metuchen in the summer of 1960 to begin his novitiate also.

Fred Gottschalk of Bay St. Louis Mississippi will do three years of high school studies at the Sacred Heart Juniorate in Daphne, Alabama. When this is completed, he will finish his high school studies at Metuchen, New Jersey. After that he will enter the novitiate. Upon completion of one year as a novice, he will return south to begin work towards a college degree.

Entre los latinos

Volvemos a Un Ano Nuevo

por Ricardo Matamoros

Volvemos a un ano nuevo, algunos tristes, otros alegres, y otros indiferentes. Antes de cualquier cosa queremos bienvenir a los nuevos, a los viejos ni hay que mencionarles pues ya saben que "rebueno" es tenerles aqui de nuevo.

Este ano se encuentro entre nosotros el sucesor de Benigo "Rompecadenas" Rodriguez, '59. Se trata nada menos que de Freddie Gruber, quien mantiene que puede derrotar a cualquiera que se le enfrente, ya sea en lucha como tambien en los amores No dudamos verlo pronto jugando handball contra los del little Study Hall y haciendo ejercicios en las paralelas, perdon, se me habia olvidado que el joven es levantador de pesos.

Rodrigo Zambrano parece que tubo un pequeno disgusto con su novia en Mejico como resultado vino con un brazo quebrado.

Attencion! El paludismo azota a Guatemala. Nuestro estimado Don Rafael se ta do en llegar, dice que el paludismo fue la causa. La verdad, Rafaelito? El otro guatemalteco, Luis Crespo vino tarde como siempre, y nos dice que fue porque no habia lugar en el avion, pero no menciona la fiesta en el "Club Guantemala."

El amor del ano lo es el de Enrique Diez y ceirta jovencita del convento. El muchacho anda en las nubes las sabados en la noche y ha llegado determinado a protase bien para no perder esos bailecitos.

A Ricardo Kawas lo veiamos pegado al televisor los sabados y domingos esperando que por un milagro sus "Braves" ganaran el titulo de la Liga Nacional. Que les paso Kawitas? Los Hermanos Matamoros aun se sienten decepcionados porque los "Yankees" no ganaron el titulo en la Liga Americana.

Oscar "Cachiro" Herrera regreso muy alegre. La razon de su alegria es que su nariz le crecio medio centimetro y hora solo tiene un competidor—el turco.

Durante el verano todos tenemos un "hobby" nuevo. Jose Ignacio parece que montaba motocicleta. El chico montaba tanto que el pelo no se le puede aplacar. El pobre tenia que comprar una botella de vaselina semanal hasta que decidio cortarselo. Ahora esta Aseinando a las muchachas de convento con su nuevo corte.

Carlos Lam no pude despegarse do se "querido" hogar. Lo tenemos aqui de nuevo y estamos alegres de que haya vuelto.

Around the Campus

It looks like George Brown is back in the candy shop for another year with Louis Rick as his assistant.

Working hard to make things easy for everyone, Brother Ramon has put in a new system for assorting soiled clothes.

Brothers Carlos and Ronald are new prefects in the Big and Middle study halls; Brother Ephrem continues his firm hold on the Little Study Hall.

Henry Brignac is building a cabinet for the amplifier to be used in the gym. Brother Leon is building a new concession stand in the gym to be used for the socials.

Brother Athanasius is spreading his Irish around the Campus by painting the classroom doors green.

School Band Inspires Spirit In Players And Pep Squad

by David Bishop

The football games this year have proven themselves more interesting with the melodious strains of "The Saints" floating from the S.S.C. brass band. Yes, the band is back in its old spot in the stands playing as loud as ever.

Although slightly hindered by the lack of a director and the introduction of new and unused talent into the band, we have tried our best to put pep into the team and into the cheerers, enthusiasm.

*No information is available concerning the Junior band right now, but I feel that it will be continued when a new director arrives.

We sincerely thank Brother Jean for all he has done to put the band back in shape. It might not have been continued had he not offered his services. NOTE OF REGRET: Members of any band will not be allowed to enter state competition (clinics and state contest) without a director—State Rules.

Sideliners Make Plans; New Projects To Come

New officers guide the Sideline Club. Mr. Charles Gottschalk, President, succeeds, Mr. A. J. Frey, who now resides in New Orleans.

Mr. Arthur Chapman fills the post of 1st Vice-President, formerly occupied by the new president. Elected to the 2nd Vice-Presidency was Mr. James Travirca.

At their meetings preceeding each Rock-A-Chaw football game, the club discussed and solidified arrangements for their annual dinner for alumni and friends who will attend homecoming activities. The dinner will be held in the college dining room.

This year the Sideliners have begun the custom of honoring the outstanding Rock-A-Chaw lineman and back of the previous game.

On the agenda for the coming year are plans for sponsoring a spaghetti supper. Tentative plans are also in mind for erecting concrete bleachers at the stadium.

The operation and management of the concession booths during football season are under the direction of the Sideline Club.

Yearbook Staff Begins Work on '60 White Cap

Housed in new quarters in the infirmary building, The White Cap staff headed by Brother Jean, is busily at work preparing the 1960 issue of the yearbook. Brother Jean has as his assistants Dee Cambre, Brent Seward, James Riordan, George Reitmeyer, Donald Smith and Mac Trelles.

As usual, the yearbook will cover everything from Seniors' Graduation to Sports Highlights to Social Activities and will carry many other features of the scholastic year. An entirely new arrangement of some sections of the book is being planned and this year's book promises many changes from the conventional yearbook style.

Major improvements will include "Reflections on the History of SSC," "Reflections on Our School," and "Reflections of Our Traditions."

George Reitmeyer, Business Manager of the White Cap, expressed the thanks of the yearbook staff to all who have thus far so generously contributed toward making the publication possible.

The books will cost $4.00 and will be on sale toward the end of April or the beginning of May.

Ronnie Artigues Sparks Rocks In 6-0 Victory Over Bears

Catholic High School of Baton Rouge was handed a 6-0 defeat here at the hands of the Rock-A-Chaws on September 25th.

In the second quarter Catholic High muffed their only big threat of the night. S.S.C. fumbled on their own 25 yard line and the Golden Bears managed to get to the Rocks' 6 yard line before they were stopped.

At the beginning of the second half, the home team started to click, but penalties hindered their first second half threat. Again they threatened but a tough Catholic High line kept the Rocks from getting closer than a foot of scoring.

After the Bears punted from their one foot line, S.S.C. fumbled on the second down and Catholic High recovered on their 33 yard line. The Bears in turn fumbled to set up the Rock-A-Chaw score.

Robert Lobrano called a reverse play from C.H.S.' 23 yard line. John Kimball took the pigskin and raced around right end for the game's only tally and the Rocks' first victory of the 1959 season.

Tiny Rock Team Begins Gridiron Play

Tiny Rocks have been organized this year by Brother Roger for the purpose of bringing football to S.S.C. students weighing 105 lbs. or less.

The Tiny Rocks kicked off their '59 campaign against the Tigers of Bay High on October 2nd, at the Rock-A-Chaw Stadium.

Games following the Bay High tilt have yet to be scheduled although the Tiny Rocks expect to play at least eight games during the year.

Starting at quarterback this season is Nolan Ladner, who has filled that post twice before. The remaining first team back field has yet to be named.

Donald Mashburn has been appointed by Brother Roger to act as team adviser and manager.

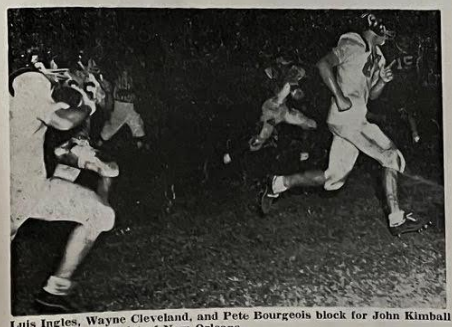
Mr. Wayne Dugas Joins Rock-A-Chaw Coaching Staff

Coach Wayne Dugas, newest member of the S.S.C. coaching staff and faculty, is fulfilling his first full time coaching position.

Mr. Dugas lettered in freshman football at Tulane University of New Orleans. In the spring of 1956 he transferred to Southeastern College where he played fullback for his remaining years of eligibility. While at Southeastern, he majored in Physical Education.

During his senior year, Coach Dugas gained valuable coaching experience as the red-shirt-team coach.

Besides his duties as backfield coach here at S.S.C., Mr. Dugas will coach basketball.



Luis Ingles, Wayne Cleveland, and Pete Bourgeois block for John Kimball against Redemptorist of New Orleans.

Rocks Drop Opener To Rams; Wolves Clip S.S.C. 20-12

Redemptorist of New Orleans and the Vigor Wolves of Mobile edged out the Rock-A-Chaws in their first games of the 1959 season.

The Rocks met the Rams of New Orleans at Stanislaus Stadium on September 11th, and lost 8-0. Warren O'Rourke of the Rams went over from the Rocks' 17 yard line to score their touchdown. Shortly after, an S.S.C. back was tackled behind the home team's goal for Redemptorist's extra two points.

Spirited Rock - A - Chaw playing held the visitors to a one touchdown score.

The following Saturday, September 19th, the Vigor Wolves of Mobile handed the Rocks their second loss of the season at Mobile. S.C.C. however, scored two touchdowns to make the score 20-12.

In the first quarter, the Wolves started a drive on the Rocks' 46 yard line which carried them to a second quarter score from the Rocks' two yard line. They kicked the conversion successfully.

Vigor scored again near the end of the first half on a long pass. In the third quarter, John Kimball ripped off thirty yards, and J. E. Loiacano passed to Terry Ladner to set up the first Rock-A-Chaw touchodwn. Ronnie Artigues then barged over the left side for the necessary two yards to score.

John Kimball set up the next S.S.C. score with a thirty yard jaunt to the Vigor three yard line. J. E. Loiacano scored on a fourth down run, bringing the Rocks' score to 12.

A Rock-A-Chaw fumble on the visitors' 27 yard line set up the next Vigor touchdown. They scored in a matter of downs following with the extra point.

Five Games Remain On '59 Football Schedule

Five games are remaining on the Rock-A-Chaw gridiron schedule. Tonight S.S.C. meets Notre Dame, last year s De Soto Conference champs, in Biloxi. Notre Dame has enjoyed outstanding victories thus far this season and will probably be undefeated as of today. Last year the Rocks defeated Notre Dame 19-7.

On Homecoming Day, October 24th, at 2:00, the Rocks will meet Escambia of Pensacola, a new school which shows great athletic promise. The alumni who attend homecoming ceremonies may expect a memorable game.

On October 30th, the Rock-A-Chaws travel to Florida to pit their strength against an old foe, Pensacola High. The Tigers always play tough "never - say - die" football. They defeated S.S.C. 33-6 last year.

The last two games are at home. On November 13th, St. Aloysius of New Orleans will meet the Rocks for the first time in several years. The Aloysius team is presently undefeated in the New Orleans prep competition.

Bogalusa High, slated for November 20th, brings the S.S.C. gridiron season to a close. Last year the Rock-A-Chaws defeated the Lumberjacks by a comfortable 7 point margin.

Jr. Rocks Lose Heavily 30-0 to Commodores

Gulfport's Junior Commodores defeated the Junior Rocks 30-0 in the first game of the season.

The first period proved to be a defensive struggle for both teams. Unfortunately the Rock - A- -Chaw line began to weaken late in the second half.

Philip Fasullo, Rock-A-Chaw half back, led the Rocks to two first downs in the third quarter.

The Rocks' biggest scoring threat of the night came in the third quarter when they marched from their own thirty yard line to the Gulfport thirty-eight.

Herbert Battistella, Rock-A-Chaw halfback, made many timely stops including a goal line tackle which prevented another Commodore score.

Big Study Hall Football Yard Leagues Organized

The Big Study Hall yard leagues have been organized this year by Brother Germain. William Koehle, Oscar Herrera, Raul Matamoros, and Terry Reine have been chosen captains.

The yard leagues were formed on September 30th and will continue playing until the last week of October.

There are ten players on a team; and for each football victory the victor receives a total of three points. For a tie each team is awarded one point. And for a loss no points.

The teams alternate between football and basketball each day. With the same point system prevailing in basketball as in football.

Oscar Herrera's team leads the pack with a total of sixteen points, with Reine's team closely behind.

At the end of the season, the team having the highest score will be awarded a special privilege from the prefect.

SHOWN ON THE ELEVATED WALKWAY, the new members of the faculty are, from left to right: Brothers Ronald, Celestine, Marius, Basil, Hugh, Carlos, Norman, Roger, and Loyola. Not pictured: Brother Remy.

Brother Godfrey's Hobby Has Proven Very Useful

Brother Godfrey, Junior Religion and Algebra teacher, has as an avocation a most necessary hobby.

School photographer for the last four years, he is almost always seen along the sidelines during football games or behind the goals in basketball season. The candidness of his student body pictures testifies to the fact that he must hide under buildings.

He learned this useful art from Brother Alvin and Father Sheerin, S.V.D., during his first year here, and has been keeping posted on the newest techniques ever since.

Currently working on the fifty sets of shots for the yearbook and other publications, he is doing his best to keep up with demands and to maintain the high quality that is his trademark.

It has been said that a jack of all trades is a master of none. Brother Godfrey's work seems to prove this untrue.

Campus Improves Over The Summer

During the summer here at St. Stanislaus many improvements have been made on the grounds.

Upon completion of the new infirmary building, there was added an overhead walkway to the Brothers' dining room.

Brother Ramon is in the process of building an elevator adjacent to the clothes bins outside the Senior Study Hall shower room. Brother has also added a new extractor to the equipment in the laundry department.

As any underclassmen will tell you, the doors A to L have been painted a distinctive green.

The women's lounge has been completely renovated; and at the present time glass backboards are being installed in the gym. All these improvements are aimed at making work and play easier for both Brothers and students.

Rock-A-Chaw Pages Record School History

1932 was a memorable year for St. Stanislaus. Brother William replaced Brother Peter as President of the College, and the Rock-A-Chaw was organized under the guidance of Brother Edmund.

The Rock-A-Chaw was primarily organized for the purpose of encouraging creative writing among the students by providing a means of publishing their writings.

The first staff comprised eighteen students who devoted their articles mainly to campus life and news.

During the past 27 years the Rock-A-Chaw has published many newsworthy events. Particularly gratifying were those which announced its graduates assuming positions of leadership in religious, social, political, and business circles.

In 1954 the Rock-A-Chaw proudly recorded in its pages the centennial anniversary of the founding of St. Stanislaus College.

And, looking to history in the making, we anticipate the dedication ceremonies of our new infirmary building.

Oct. 15-21 Marks Newspaper Week

October 15 to 21 has been designated as National Newspaper Week. Newspapers throughout the country are taking part in celebrating this special week which is devoted to understanding more fully the important role played by the newspapers in our daily lives.

Among others, our newspapers fulfill the task of preserving our great freedoms—Freedom of Speech, Freedom of the Press, and Freedom of Religion.

The role of our newspapers as a protector of these precious freedoms can hardly be minimized. Over the past 183 years, since the Declaration of Independence, many cases have arisen where the newspapers have proven their worth in safeguarding these rights.

Paying tribute to the 1,770 daily and 9000 weekly newspapers published in this country, National Newspaper Week has received special recognition from our President, Dwight D. Eisenhower.

The Rock-A-Chaw joins with the nation's professional press in observing this special week.

DEMONSTRATING THEIR INTERPRETATIVE DANCING FORM during the half time of the Redemptorist game are Rock-A-Cheers Peggy Lam, Pat Blaize, and Sue French.

Rock-a-cheers, Cheerleaders, Pep Squad Support The Team

"Two bits, four bits, six bits, a dollar. All for Stanislaus stand up and holler," echos over the football field as the pep squad, cheer leaders, and Rock-A-Cheers lend their support to the Rock-A-Chaw team.

The pep squad in their distinctive costumes of black trousers and white shirts, have proven to be a loyal, loud-yelling group.

Patty Babin, Mary Roger, Cassie Rhodes, and Judy Copponeux from St. Joseph Academy and James Riordan, George Reitmeyer, Dee Cambre, and Donald Smith from S.S.C. make up this year's cheer leader group.

Shouting loudly, gesticulating wildly, and encouraging organized cheering, the cheer leaders do much to enliven the spirit of the student body.

Wearing white blouses, white bermudas, and red suspenders, the Rock-A-Cheers organized and lead by Mrs. Reuben Ruiz and Mrs. James Zimmerle, display their talents at half times.
